You can have our lifeguard play some games with the kiddos. Honestly....the kids are usually having so much fun frolicking in a pool that they won't even want to stop to play an organized game. But....we give you that option: 15 mins of games: \$10__ 30 mins of games: \$20__

TOTAL AMOUNT ATTACHED TO THIS FORM:\$_____

IMPORTANT things you'll need to know:

We think it's great if you bring the traditional **cake & ice cream**....you may even want to bring a pizza!! Easy. All kids love it!! We do not have a freezer for the ice cream, but though the years, we've found that if you bring it in a cooler on ice, it stays fine!!

We must alert you please:

- ~no popcorn
- ~no nuts
- ~no potato chips, fritos or the like
- ~no balloons

The reasons: if nuts or chips or pieces of a popped balloon end up under any toys....potential danger for your little children who use this room during the week. Choking hazard and allergy risks.
